SIGNATURES REQUIRED ON BACK PAGE

All students will receive basic first aid and emergency care as needed. By signing this form, I consent to these services being given to my student. I further agree that if emergency service involving medical action or treatment is required and the parent(s) or guardian(s) cannot be contacted, I hereby consent for the Student to be given medical care by the doctor or hospital selected by the School. I hereby give and grant unto any medical doctor or hospital my consent and authorization to render such aid, treatment or care to said student as, in the judgement of said doctor or hospital, may be required, on an emergency basis, in the event the Student should be injured or stricken ill. I authorize the School to release medical information about my student to his/her care provider as well share information among School staff members to ensure maximum safety and health care for my Student. I authorize the School to release care and custody of my student to the emergency contacts listed above. It is understood that the consent and authorization given hereby are continuing and apply throughout the current school year. It is further understood that insurance or parent of student will pay any expenses incurred. Payment of such expenses is not a school responsibility.
